

# Twelfth South China Environmental and Safety Management Association (SCESMA) Meeting in Shenzhen

## 华南环境及安全管理协会第十二次会议(深圳)

The South China Environmental and Safety Management Association (SCESMA) is pleased to announce our 12th Meeting and Technical Visit to be held on 20th December, 2011 (Tuesday) in Shenzhen. The event is co-organized with the Hong Kong Productivity Council (HKPC) and supported by the Guangdong Dapeng LNG Co (GDLNG). The morning meeting session will be held at HKPC's Productivity Centre in the Shenzhen Science and Technology Park. The meeting will focus on topics related to greener production, occupational hygiene and chemical management at research institutes and laboratories. The afternoon session will be a technical visit to the Guangdong Dapeng LNG Terminal. Introduction of the LNG operations, logistics and trucking activities of LNG supplies in the Pearl River Delta region will be presented and there will be a demonstration of ventilation measurement and other industrial hygiene monitoring at GDLNG.

Registration is first-come-first served with priority to SCESMA members. Group size is limited to 30 participants due to site restriction. Please send your registration to Miss Candy Chiu by e-mail: [bielchiu@hotmail.com](mailto:bielchiu@hotmail.com), on or before December 10, 2011. Detailed logistics and other arrangement will be notified to the successful applicants later.

To recover the cost of ground transportation and lunch arrangement, a fee of RMB200 will be charged. All SCESMA members can enjoy a 50% discount. Below is the detailed agenda of the Event for reference.
